Much key info is shared via our Slack workspace!

Our workspace name is **openideoaustinchapter** and our URL is <https://openideoaustinchapter.slack.com>. Click on the link to join.

We've set up the OpenIDEO Austin Chapter Slack Workspace for person-to-person and group dialogue among our Chapter members.

Please join! This is where you can communicate and collaborate directly with others to help plan our Chapter meetings and share ideas, meet-ups, etc. for the OpenIDEO global challenges.

**If you have any questions, contact the Chapter Organizers (Lesa Walker & Erin Rainosek) at [austinopenideo@gmail.com](mailto:austinopenideo@gmail.com).**
